GROCERY SHOPPING

- Don't forget to add things you regularly keep in the house to your list. Spices, baking ingredients, foil, aluminum pans, storage/freezer bags/containers, gloves etc.
- It's a good idea to check recipes before grocery shopping especially for things like ground nuts to get an idea of how much of each is needed.
- Don't forget things for the seder like matzah, wine, zroah (shank bone), romaine leaves (4 kezaysim per person), horseradish, karpas, ingredients for charoses.
